

DEPARTMENT OF PHARMACEUTICS: CONSULTANCY PROJECTS

S.No	Year	Title of the Project	Project Cost (Rs.)	Industry / Institute	Status
1.	2019	Production of sofosbuvir and ledipasvir spray dried fast dissolving formulations	40,200	Ani Generics	Completed
2.	2019	Antimicrobial Activity (MIC) determination synthesized compounds	13,00/-	Mrs.G.Usha Rani	Completed
3.	2018	Microscopical characterization of isolated microbes	100/-	Ms.G.SaiKiran Mai, AM Reddy college of Pharmacy	completed
4.	2018	Microscopic examination of malarial parasites in blood smears	5,00/-	Mr.P.Brahmam, Department of zoology Acharya Nagarjuna University	Completed
5.	2016	Solubility studies and dissolution testing	1000	Ms.S.Sugana, research scholar , nova college of pharmacy	Completed
6.	2014	Development of liquid oral formulation of levothyroxine	4lakhs	M/s. Biophore India Pharmaceuticals Pvt. Ltd., Hyderabad	Ongoing
7.	2014	Development of liquid oral formulation of Allopurinol	4 lakhs	M/s. Biophore India Pharmaceuticals Pvt. Ltd., Hyderabad	Ongoing
8.	2014	Particle size analysis	3,000	Sibar Dental College,	Completed
9.	2013	Development of vesicular systems for aceclofenac	20,000	M/s. Arsvil Research Laboratories , Vijaywada	Completed
10.	2012	Development of mebeverine hydrochloride multi-particulate for the management of irritable bowel syndrome by fluidized bed processor	15,000	M/s. Glochem Industries limited,	Completed
11.	2011	Development of laboratory scale prototype nanoparticulate systems of indinavir sulphate with bovine serum albumin for the management of viral diseases	15,000	M/s. Biophore India Pharmaceuticals Pvt. Ltd., Hyderabad	Completed
12.	2010	Development of laboratory scale zidovudine sustained release tablets for the management of viral diseases	10,000	M/s. Glochem Industries limited, Hyderabad	Completed
