

STUDENT ENRICHMENT PROGRAMS

Date	Resource person	Title of the lecture	Beneficiaries
2019-2020			
02/07/2019	Dr.R.Nagaraju , Professor, dean faculty of pharmacy, Sri PadmavathiMahilaVisvavidh yalam, Tirupathi	Application of pharmacokinetic principles in clinical situations	Faculty and students
20/04/2019	Dr.P.S.Nagaraja, professor SJM college of pharmacy Chitradurga Karnataka	Impact of dosage form design and packaging on product life cycle	Faculty and students
2018-2019			
5/02/2019	Dr.Prasannasagar, General manager, Gland Pharma Hyderabad	Parenteral controlled drug delivery	Faculty and students
11/2/2019	Dr.Pulak Deb , Professor and HOD, Department of pharmaceutics,Girijananda institute of pharmaceutical sciences, Gauhati Assam	Herbal cosmetics	Faculty and students
14/02/2019	Dr.K.SrinivasMotalik Professor ,Manipal college of pharmaceutical sciences Manipal	Novel drug delivery systems: Overview and case studies	Faculty and students
31/01/2019	Dr.K.V.Ramana Murthy Professor, University college of pharmaceutical sciences,Andhra university Vishakapatnam	Role of biopharmaceutical factors in dosage form design	Faculty and students
29/01/2019	Dr.Om Prakash katare Professor ,Punjab university Chandigarh	Recent advances in pharmaceutics	Faculty and students
27/12/2018	Dr. V.B. Kishan,Principal and Professor,University College of Pharmaceutical Sciences,Kakatiya University, Waranagal	Vaccine Drug Delivery System	Faculty and students
20/12/2018	Dr.FalguniPati ,Asst. Prof, Dept of Biomedical Engineering, IIT, Telangana	Introduction to 3D printing and its applications	Faculty and students
03/08/2018	Dr.FalguniPati, Asst. Prof, Dept of Biomedical Engineering, IIT, Telangana	Drug targeting and delivery methods (Concepts and events in biological processes)	Faculty and students
07/07/2018	Dr. R. Nagaraju, Professor,	Pharmacokinetic modelling	Faculty and

LAPATHI INSTITUTE OF PHARMACEUTICAL SCIENCES, LAM, GUNTUR

	Sri Padmavathi Mahila Viswavidyalaya, Tirupathi		students
05/05/2018	Dr. Prasanna Sagar General Manager, R&D, Gland Pharma, Hyderabad	Pharmaceutical Parenteral production and lyophilization	Faculty and students
2017-2018			
29/01/2018	Mr. CH. Krishna Mohan, Senior Research Principal Scientist, Leitis Pharmaceuticals Pvt. Ltd. Hyderabad.	Development of Parenteral Products	Faculty and students
23/01/2018	Dr. Pinnamaneni Rajasekhar, Asst. Professor, Dept of Biotechnology, K. L. University, Vaddeswaram	Pharmacogenomics and Genemapping	Faculty and students
07/12/2017	Dr. K. Sucharitha, Lecturer, Dept of Microbiology, Govt College for Women, Guntur	Microbial diversity- The spectrum of variability among all types of microorganisms	Faculty and students
21/08/2017	Dr. Anantha Tulasi, HOD, Dept of Zoology, Govt College for Women, Guntur	Professionalism and Skill Development	Faculty and students
06/08/2017	Dr. R. Nagaraju, Professor, Sri Padmavathi Mahila Viswavidyalaya, Tirupathi	Bioavailability and Bioequivalence studies	Faculty and students
05/08/2017	Dr. R. Nagaraju, Professor, Sri Padmavathi Mahila Viswavidyalaya, Tirupathi	Pharmacokinetic Modelling- A practical approach	Faculty and students
22/04/2017	B. Bhagawan, Executive, FR&D, Aizant Drug Research Solutions, Hyderabad	Product development of solid dosage forms	Faculty and students
2016-2017			
28/03/2017	Dr. P. Udaya Sri, Asst. Professor, Dept of Biotechnology, ANU, Guntur	Fermentation Technology: Downstream processing and product recovery	Faculty and students
25/11/2016	Dr. B. Nirmala, Asst. Professor, Dept of Microbiology, Guntur Medical College, Guntur	Combat of drug resistance in humans	Faculty and students
25/06/2016	Kumar Shanmugam, AGM, Technical Services, PAR Formulations, Chennai	Preformulation: Perspectives in the product life cycle management	Faculty and students
06/05/2016	Dr. Narendira Kumar, Head	QbD and stability studies	Faculty and

LAPATHI INSTITUTE OF PHARMACEUTICAL SCIENCES, LAM, GUNTUR

	QA-Formulations, Orchid Health Care, Chennai		students
24/04/2016	Dr. Prasanna Sagar, General Manager, R&D, Gland Pharma, Hyderabad	Lyophilization	Faculty and students
24/04/2016	Dr. G. Peddappa Chowdary, Director, Manufacturing, DRL, Hyderabad	Prospectives in pharmaceutical industries	Faculty and students
09/04/2016	Dr. B. Ramesh, Asst. Professor, GMC, Guntur	Nephrotic Syndrome	Faculty and students
2015-2016			
28/03/2016	Dr. A. Krishna Satya, HOD, Dept of Biotechnology, ANU, Guntur	Bioactive compounds	Faculty and students
10/03/2016	Mr. P. Sudhakar, Assoc Professor, Dept of Biotechnology, ANU	Molecular Gluing	Faculty and students
06/11/2015	Dr. D. V. Gowda, JSS College of Pharmacy, Mysore	Development of dosage forms	Faculty and students
2014-2015			
26/08/2014	Mrs. P. Ravi Kiranmai, Asst. Manager, Formulation R & D, New HeitPharma, Hyderabad	Parenteral product development - Overview	Faculty and students
03/05/2014	D. Valluru Ravi, Asst. Professor, JSS College of Pharmacy, Mysore	Advances in novel drug delivery systems	Faculty and students
08/03/2014	Sri. J. Suribabu, D.G.M, FR&D, Pulse Pharmaceuticals Pvt. Ltd, Secunderabad	Regulatory aspects of pharmaceuticals production, packaging and labelling	Faculty and students
02/05/2013	Dr. V. B. Kishan, professor, HOD, University College of Pharmaceutical Sciences, Kakatiya University, Warangal	Zeta Potential: An Overview	Faculty and students
24/03/2013	Sk. Bala Pasha, Manager, FR&D, Glochem Industries Ltd, Hyderabad	Regulatory requirements in manufacturing of drugs	Faculty and students
12/12/2012	Dr. D. V. Gowda, Professor, JSS College of Pharmacy, Mysore	Preformulation studies for solids, dispersive systems and parenterals	Faculty and students
01/11/2012	Sri. K. Ravi Kumar, M/s Institute of Biological Sciences, Vijayawada	Bio-Informatics, Biological databases, sequence comparison & applications	Faculty and students
10/10/2012	P. Srinivasa Naidu, Assoc.	Role of packaging materials in	Faculty and

LAPATHI INSTITUTE OF PHARMACEUTICAL SCIENCES, LAM, GUNTUR

	Director, Dr. Reddy's Laboratories Ltd., Hyderabad	pharmaceutical industries	students
25/09/2012	Dr. R. Nagaraju, Professor, Sri Padmavathi Mahila Visvavidyalaya, Tirupathi	Resealed erythrocytes as drug delivery systems	Faculty and students
23/04/2012	Dr. R.S. Prasad, Managing Director, M/s Suven Nishta Pharma Pvt. Ltd.	Recent trends in pharmaceutical industries in India	Faculty and students
04/04/2012	Dr. V. B. Kishan, HOD, University College of Pharmaceutical Sciences, Kakatiya University, Warangal	Zeta Potential- Measurements and applications	Faculty and students
18/02/2012	P. Srinivasa Naidu, Assoc. Director, Dr. Reddy's Laboratories Ltd., Hyderabad	Recent trends in packaging of pharmaceuticals and combat of counterfeits in market	Faculty and students
27/10/2011 and 29/10/2011	Dr. R. Siva Ram Prasad, International Business Management, ANU, Guntur	Principles of management and accountancy	Faculty and students
14/02/2011	Dr. R. Siva Ram Prasad, International Business Management, ANU, Guntur	Principles of Accountancy	Faculty and students
18/09/2010	Prof. Y. Madhusudhana Rao, Dept of Pharmaceutical Sciences, Kakatiya University, Warangal	Buccal drug delivery systems	Faculty and students
07/09/2010	Prof. K.P.R. Chowdary, University College of Pharmaceutical Sciences, Andhra University, Vishakapatnam	Principles of experimental designs	Faculty and students
22/04/2010	Dr. N.R.K. Reddy, Synergy School of Business, Hyderabad	Business Management	Faculty and students
17/04/2010	M. Sundar Raj, Senior Scientist, Dr. Reddy's Lab, Hyderabad	Current status of pharmaceutical industry in India	Faculty and students
