## ISPOR-ANU STUDENT CHAPTER

ISPOR is an international multidisciplinary Professional membership society founded in 1995, the International Society for Pharmacoeconomics and Outcomes Research (ISPOR) advances the policy, science and practice of Pharmacoeconomics (Health Economics) and Outcomes Research (The scientific discipline that evaluates the effect of health care interventions on patient well being including clinical, economic, and patient-centered outcomes). Chalapathi Institute of Pharmaceutical Sciences constituted ISPOR-ANU student chapter in April 2013 to provide a platform for the future pharmacist to learn and share their knowledge in Pharmacoeconomics and Health Outcomes Research and also to make the students get familiarize and actively involved in Health Economics Research. Vision: ISPOR is the leading global Scientific and educational organization for Health Economics and Outcomes Research and Their use in decision making to improve health. Mission: To promote Health Economics and Outcomes Research excellence to improve decision making for health globally

## ACTIVITIES IN THE SYMPOSIUM
