Sub: A proposal to provide CRT-Soft skill training program to M.pharmacy graduates.

Respected Sir,

Warm Greetings!!!

We are Pleased to introduce ourselves as **IKYA Global**, a group company of MTN Inc, USA, headquartered in Hyderabad. The company provides services in IT & BPO, Training & Education, Agriculture and Management Consulting. It extends its services to USA, UK, Dubai and Bangladesh. We have consistency in delivering products/services across various communities.

IKYA GLOBAL IRSP-Industry Ready Skill Program

IKYA GLOBAL is driven by a sustainable vision under which, the company is committed to provide robust and industry ready training and education to candidates by using best teaching methodologies and tools. The company is well equipped with robust infrastructure facilities and with a team of real time industry trainers. The courses and curriculum are designed keeping the current industry trends and requirements. The courses are designed to "Boost the Employability" of the candidate. IKYA GLOBAL believes in wholesome skill development of a candidate and therefore, they are given comprehensive Soft Skills and Communication Skills training to make them more employable for the right job.

Problem Specification of Students in Current Scenario

We IKYA Global Edu has done extensive research on the quality of pharmacy graduate students produced every year and tried to find the factors that has direct impact on to the employability of these students work along with relevant industrial exposure are few of the determining factors to get employed in reputed companies.

Some of the facts:

According to a recent report by NASSCOM, only 10 per cent of fresh graduates in India are employable.

- ✓ From this large pool of students' majority of them are more interested towards successful course completion & job attainment without having the fundamental
