

CHALAPATHI INSTITUTE OF PHARMACEUTICAL SCIENCES

(Autonomous)

Name of the faculty: Kota Jahnavi Kutty

Designation: Assistant Professor

Department: Pharmaceutical Analysis

Innovative Teaching Methods:

- ❖ Explaining the students about the subject by oral presentation.
- ❖ By Powerpoint and Video presentation to the students it helps the students understand the course content visually.
- ❖ Paying more attention to the weaker students and encouraging them in participate in different activities
- ❖ Giving equal opportunity to the both weaker and the fast learners
- ❖ Assigning the group works or encouraging students to work together on plays, presentations and other reports
- ❖ Evaluating the students by posing the questions in middle of the lecture.
