ISPOR ANU STUDENT CHAPTER

ISPOR is a multidisciplinary professional membership society founded in 1995. The International Society for Pharmacoeconomics & Outcomes Research (ISPOR) advances the policy, science, and practice of Pharmacoeconomics (Health Economics) and Outcomes Research (The scientific discipline that evaluates the effect of health care interventions on patient well-being including clinical, economic, and patient-centred outcomes). Chalapathi Institute of Pharmaceutical Sciences constituted the ISPOR ANU student chapter in April 2013 to provide a platform for the future pharmacist to learn and share their knowledge in Pharmacoeconomics and health Outcomes Research and also to make the students get familiarize and actively involved in health economics research.

Vision, Mission, & Values

ISPOR is the leading global scientific and educational organization for health economics and outcomes research and their use in decision making to improve health.

Our activities

- Home medication reviews, Health & Medication Awareness Programmes in communities
- Conferences and guest lectures on health aspects
- Educational events involving Pharmacoeconomics and outcomes Research

QUIZ OUTLINE

Our Quiz is newly designed with many interesting rounds where students can actively participate and also can update with current advancements by the logical and statistical questions.

PRELIMINARY ROUND: Every team that has registered will take a 45-minute written test. Based on the results of the preliminary rounds, the top 10 teams will advance to the main stages, while the remaining teams will be eliminated.
